مركز الصحة العامة وحقوق الانسان في جامعة النجاح الوطنية
يرحب بكم في ورشة عمل:

أخلاقيات المهن الطبية القانونية في فلسطين
"Introducing Bioethics in Palestine"

المعهد الكورى الفلسطيني المتميز لتكنولوجيا المعلومات
الأب | نابلس | فلسطين | 2014/11م

Funded by:

OPEN SOCIETY
FOUNDATIONS

Introducing Bioethics in Palestine

I-CARE

The conference endeavoured to raise awareness of the obstacles to the development of bioethics in Palestine. Most important among these are the absence of strong legal infrastructure, poor awareness among health services of the legal system and laws and principles surrounding health practice, and the inability of community members to distinguish between medical error and medical malpractice.

Co-funded by the
Erasmus+ Programme
of the European Union

Research ethics challenges

i-CARE

- Thesis publication and authorship
- Promotion
- Who is the author
- Distribution of questionnaires in different studies
- Supervision on M.Sc. and PhDs
